“Monday Talk: Peach Buzz” by Phil Kloer

Celebrating his mother's day

Ludacris, fellow hip-hopper **Chingy**, FOX News anchor **Amanda Davis**, WGNX's **Adam Murphy**, City Council Member **Kwanza Hall** and **DJ Holiday** were among the folks celebrating **Roberta Shields'** birthday the other night at Straits, Luda's restaurant.

That would be the Roberta Shields who is Ludacris' mother. As he usually does when he visits his Midtown eatery, Luda made his way around to each table, greeting diners and even making menu recommendations.
